"WHATEVER LOLA BUNNY WANTS, LOLA BUNNY GETS!"

So, you think that our devil-may-care hare, Bugs Bunny, can never be caught. Well, step right up and meet Lola Bunny, the newest member of our Looney Tunes gang. Lola Bunny brings out the beast in Bugs and has our romantic Romeo singing "Whatever Lola Bunny wants, Lola Bunny gets" — and meaning it!

This bouncing bunny has a forty-carrot smile and her sense of humor is matched only by her sense of style. But beauty isn't everything. Lola Bunny is an athletic all-star who can master any court, even the art of courtship from a pro like Bugs.

Lola Bunny can't be beat because there's brains behind those baby blues. Self assured and just this side of sassy, Lola Bunny's no clinging vine but very much a rabbit for the 90's. In fact, you can call her Bunny. You can call her Babe. Just don't call her "Doll". We won't be responsible for the results.

Lola Bunny's brains and beauty are a perfect complement to Bugs Bunny's wit and style. This curvaceous coquette can match wits with our outrageous rabbit any day. Her confidence and self-assurance make her attractive to females of all ages and she offers outstanding opportunities for creative applications to products.
